A yellow Sany SCP140A-6 forklift is shown in profile, lifting a large white shipping container. The forklift is positioned in the foreground, with its mast and forks raised to support the container. The container is white with some rust and has the letters "US" visible on its side. In the background, there are several semi-trailers parked in a lot, including one with a white trailer and another with an orange trailer. The scene is set against a backdrop of tall pine trees under a clear blue sky. The Sany logo and model number "SCP140A-6" are visible on the side of the forklift.
