STH634A TELEHANDLER

SIMPLE TO OPERATE EASY TO SERVICE

Lightweight and compact, the STH634A can be transported to the job on a gooseneck trailer and is able to maneuver into tight spaces. It's easy to control, with a multifunction joystick and steering wheel for added precision. With easy access panels on the side and back of the machine, serviceability is simple. No guesswork will be required with the dashboard display's ability to give diagnostic codes that pinpoint issues quickly.
